

Terreon® Lav Deck

Model 3040 Series

- Corner Lavatory Deck with Integral Bowls
- Unique, Repairable Terreon® Solid Surface Material
- Serves One or Two Users at a Time
- Designed to ADA Guidelines
- Drilled or Equipped with Faucets

Specifications

Terreon® Lav Deck Model 3040 accommodates one or two users. The Lav Deck features a solid surface counter top with integral oval bowl. The Terreon® Lav Deck comes drilled for either 4" centerset, 8" centerset or centershank faucet mounting, or equipped with optional faucets. Optional deck mounted soap dispensers available.

Construction

Counter Top/Bowl

Constructed of Terreon®, a densified solid surface material composed of an acrylic modified polyester resin. Terreon® is resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleaners or fine grit abrasives.

Mounting Options

The Terreon® Lav Decks are designed for a variety of mounting options including concealed arm carriers (supplied by others). This style of mounting eliminates the need for casework beneath the deck.

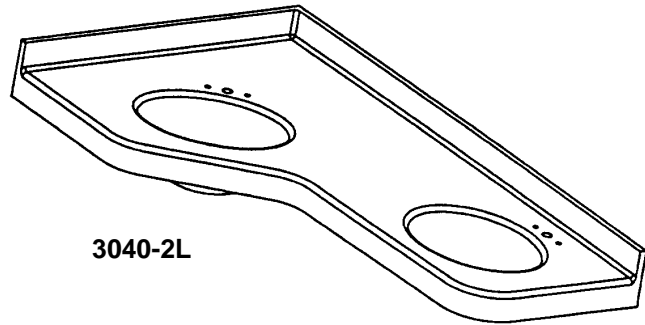

Barrier-Free (ADA Compliant)

Standard Height Mounting

Terreon® Lav Decks mounted at standard height are designed to comply with all ADA guidelines on reach and clearances. To comply with ADA, the rim height on the 3040 Lav Deck must be 34" max. above the finished floor. To be completely ADA compliant, the Terreon® Lav Deck must be equipped with ADA compliant faucets and trap cover.

Juvenile Height Mounting

The 3040 Lav Deck mounted with counter surface no higher than 31" is compliant with ADA Accessibility Guidelines for Buildings and Facilities: Buildings Elements Designed for Children's Use; Final Rule.

3040-2L

Sample Specification

The multiple integral solid surface counter top and bowl shall be Bradley Terreon® Lav Deck Model No. 3040-2R. The integral top and bowl shall provide two hand washing stations. Each hand washing station mounted at standard height shall comply with ANSI and ADA accessibility standards.

- Deck and bowl material for each station shall be cast polyester resin complying with ANSI Z124.3 and ANSI Z124.6. Bowl and deck finish shall be decorative stone.
- Bowl Color: Empire Gray (other optional colors available)
- Unit to be supported by In-Wall Carriers, supplied by others.
