Clean front edge for a linear design aesthetic

Gentle contours for easy cleaning

### Create distinct restroom spaces

for offices, hotel lobbies, fine art establishments, retail and restaurant environments, spa resorts, and more.

- Gentle curves and individual drains provide personal hand washing space
- Single-piece mold eliminates caulk lines and seams
- Seamless, contoured design is easy to clean and maintain
- Single specification, single manufacturer, turn key solution
- Available in 1, 2, and 3 station models
