A Bradley Exclusive

Verge® Lavatory Systems bring sophisticated forms to the commercial restroom in a beautiful, durable, natural quartz surface.

Verge is characterized by clean and simple designs, as well as durable, low maintenance features. Stainless steel enclosures complete the design aesthetic to conceal plumbing and provide easy accessibility.

As with all Bradley lavatory systems, Verge provides the total package. One specification. One manufacturer. A complete turn-key solution ready to install with no additional fabrication required on site.

All Verge models are ADA-compliant and available in 1, 2, or 3 station models.
