

9541 Fixed Shower Seat

Installation

WARNING: To ensure adequate support for the shower seat, all anchoring devices (supplied by installer) must be appropriate for specific wall construction. Bradley cannot assume responsibility for an improperly installed shower seat. Provide appropriate concealed backing or anchors (as specified by others) before finishing the wall.

Installation

1. Measure and scribe the six shower seat mounting holes.
2. Mount the shower seat with appropriate hardware provided by the installer.
