SafeCare® Lavatory System HSL1-Series Service Kits

Overview

The HSL1-Series Service Kits are designed to provide replacement parts for each section of the HSL1-Series lavatory systems. The HSL1-Series Service Kits tech data document is similar to other tech data, providing necessary options for ordering the kits. Complete the tech data for each service kit required for your system.

Construction

Terreon® Solid Surface Material (Bowl and Sprayhead)

The continuous bowl is constructed of Terreon®, a densified solid surface material composed of bio-based resin. Terreon is resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleansers or fine grit abrasives.

HSL1-Series Bowl Only Assembly

HSL1-BOWL-ONLY

These kits are just for a replacement Terreon bowl.

HSL1-Series Sprayhead Assembly and Cover

HSL1-SPYD-ASSY

This kit consists of the Terreon sprayhead assembly with all integral components required for connecting to the valve assembly. They are available as a replacement or a retrofit. The retrofit will include the valve assembly.

HSL1L-Bowl-Only

HSL1-SPYD-ASSY

Product Compliance

Listed by NSF International to

- NSF/ANSI 372 (HSL1-SPYD-ASSY)

Certified to
NSF/ANSI 372
