

Folded Paper Towel Recommendations

Single-Fold

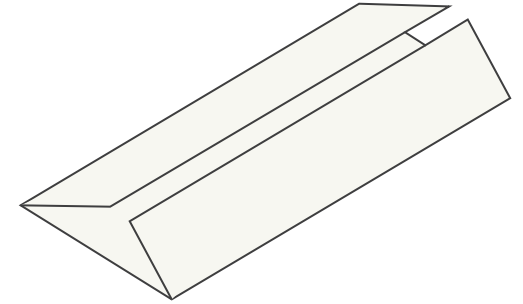

10" x 10"
9-1/2" x 10-1/2"

Multi-Fold

9-3/8" x 9-7/8"
9-3/8" x 9-1/2"

C-Fold

10-7/16" x 14"

The types and dimensions of the paper towels listed above are Bradley's recommended specifications for optimum performance of our Paper Towel Dispensers. Papers outside of these suggested parameters may reduce the overall effectiveness of the unit. We also recommend using Paper Towels of a quality level mid-grade or above, as lower grade Paper Towels have a tendency to be very thin and to rip easily.
