
Installation Instructions

Sentry Backsplash Retrofit Kit

Part No. S65-237 for 36" Sentry bowls

Part No. S65-238 for 54" Sentry bowls

INSTALLATION

1. Loosen the bowl anchors.
2. Slide the backsplash between the wall and bowl, making sure that the slots on the backsplash are aligned with the bolts.
3. Caulk the lower edge of the backsplash where it meets the bowl.
4. Tighten the bowl anchors.
