Mills® Partitions

Offering a wide selection of the most innovative product materials available, Mills® partitions are suited for a variety of applications and environments. The quality materials used provide key features to architects and specifiers, such as aesthetic appeal, vandal resistance, low cost and warranties. From high-performance material options to creative style solutions, Mills partitions provide architects smart, economical choices.

MATERIALS

Bradley has the largest green product offering of restroom partition materials. Most are GREENGUARD Certified as low emitting materials. Our 100% post-consumer recycled content HDPE material in the Bradmar™ line is made entirely of recycled milk jugs. On average, each stall keeps more than 1600 milk jugs out of landfills.

**Bradmar™**
- **Pg 10, 16**
- Solid Plastic
- 30% pre-consumer, 100% post-consumer recycled high density polyethylene (HDPE)
  - Heavy traffic
  - Privacy options

**Stainless Steel**
- **Pg 6, 16**
- 40% pre-consumer, 25% post-consumer recycled stainless steel
  - Heavy traffic
  - Privacy options

**Shine®**
- **Pg 8, 16**
- Powder Coated
- 25% pre-consumer
  - Moderate traffic
  - Privacy options

**Phenolic Core**
- **Pg 12, 16**
- 20% pre-consumer recycled phenolic core
  - Heavy traffic
  - Privacy options

**Fusion™ Granite & Stainless Steel**
- **Pg 14, 16**
- Natural granite partition panels, pilasters and urinal screens, and stainless steel or powder coated doors.
  - Heavy traffic

**Sentinel™ Floor-Mounted, Overhead Braced Series 400**
- This style provides the most economical solution for heavy traffic and vandalism-prone areas. Because it requires no special floor or ceiling construction, installation is easy in new construction or existing buildings. The anti-grip head rail provides outstanding rigidity. NEW! Extra height doors and panels available.

**Floor-to-Ceiling Series 700**
- This style works well where additional support is required. Anchored at the floor and ceiling. Offers the most stability. Not available in Fusion.

NEW! Extra height doors and panels available.

**Ceiling Hung Series 600**
- Ceiling hung partitions are ideal for areas with low ceilings. Offering an area free from obstruction to allow for fast and easy maintenance, the system requires structural supports in the ceiling for maximum rigidity. Not recommended for ceiling heights over eight feet. Not available in Bradmar solid plastic or Fusion.

**Floor-Braced Series 500**
- Floor-braced partitions complement design with functional performance. Recommended for buildings with high ceilings, it enhances the effect of spaciousness. A minimum three inch concrete floor for anchoring is required. This style not available in Bradmar solid plastic or Fusion.

NEW! Extra height doors and panels available.

**Mounting Styles**

Bradley’s wide variety of partition mounting styles meet the design needs of every application, from airports and sports entertainment complexes to restaurants, fitness centers and schools. Whether easy maintenance, economy, durability, added support, design aesthetic or ‘all of the above’ are driving the decision, Mills offers a style most suited to your building’s restrooms.
Demand for greater privacy in public restrooms has been a long time coming.

What is privacy? For many it brings to mind ‘a retreat, seclusion, solitude’. While most might not associate those terms with public restrooms, there is no question that privacy is becoming more important to everyone who uses those spaces. Taking cues from European influence, Bradley privacy partitions give owners and architects the options to create a comfortable, durable restroom retreat for users.

**Mills Privacy Partition Features**

*Nearly 30% of Americans use a public restroom simply to get away.*

Whether new construction or renovation, Mills Privacy partitions offer all the features you need to give users a private restroom retreat for any application. Save on installation and material costs compared to full wall construction.

**EXTRA HEIGHT DOORS AND PANELS**

- 72” (1829 mm) tall doors and panels mounted 6” (153 mm) AFF
- 69” (1753 mm) tall doors and panels mounted 9” (230 mm) AFF for ADA stalls

Two mounting styles: floor-mounted overhead braced or floor-to-ceiling

**EXTRA DEPTH PANELS**

Available in depths up to 84” (2134 mm)

Available with extra height stalls

Featuring NEW aluminum H-bracket for clean design aesthetic

**NO–SITE™ OPTIONS**

Eliminates gaps between doors, pilasters and panels

Bradmar partitions available with integral No-Site™ design

Full privacy height No-Site strips available for stainless steel, powder coated and phenolic partitions

Full privacy height continuous hinges and brackets available for all materials
Stainless Steel

Mills takes this popular look to the limit with seamless panels.

- Facing sheets of panels and doors integrally locked together; corners are welded smooth or adhered with a corner clip
- The Permaseal™ design is stronger than conventional crown molding construction
- Extra-height doors and panels available when additional privacy is needed
- The finish wraps completely around the edges
- GREENGUARD Gold Certified

Stainless Steel Textures

- Satin
- 5WL Textured
- Leather Grain

The Permaseal™ Edge

Mills’ exclusive Permaseal edge is available in Stainless Steel or Powder Coated (pg 8).
The Permaseal design locks facing metal sheets integrally together around the perimeter of the panel.

- 15-year warranty against rust-out — best in the industry.
- No moisture penetration
- No rust

Privacy options

Extra-height doors and panels available when additional privacy is needed.
Powder Coated

This quality powder coated finish combined with the exclusive Permaseal design makes Mills the best high value metal partition system available.

- State-of-the-art paint system offers 15 rich colors
- Extra-height doors and panels available when additional privacy is needed
- Durable powder coated finish allows for years of long-lasting beauty
- GREENGUARD Certified as a low emitting material

Powder Coated Colors

Due to printing variances, the actual material color may differ. Contact your local Bradley Representative for samples.
Bradmar Solid Plastic

Bradmar Partitions, Urinal and Sight Screens and Shower Dividers are fabricated from 30% pre-consumer, 100% pre-consumer or 100% post-consumer recycled high density polyethylene (HDPE). A variety of color options provides many design options.

- Low maintenance and high vandal resistance
- Withstands wet and humid environments
- Ideal for schools, theme parks, stadiums and arenas — any high-traffic restroom
- 15-year warranty — one of the industry’s best
- GREENGUARD Certified as a low emitting material

No-Site Partitions

Bradley offers No-Site style partitions in Bradmar with no gap between the doors and pilasters to ensure privacy. Traditional stalls can have up to a 0.5” (13 mm) gap, leaving an uncomfortable ‘site’ line.

- No gaps ensure privacy
- Extra-height doors and panels available when additional privacy is needed
- Available in floor-mounted, overhead braced and floor-to-ceiling mounting styles

Bradmar 30% Pre-consumer Colors

- Beige (S202)
- Burgundy (S215)
- Buttermilk (M226)
- Canyon Granite (M244)
- Charcoal Gray (S215)
- Deep Blue (S203)
- Desert Stone (S406)
- Gray (S200)
- Linen (M242)
- Starry Night (S225)
- Toffee (M227)

Bradmar 100% Post-consumer Colors

- Black (M318)
- Charcoal Gray (M348)
- Toffee (M347)

Due to printing variances, the actual material color may differ. Contact your local Bradley Representative for samples.
Phenolic Core

Its impact resistance and superior strength are a result of high heat and high-pressure molding of solid phenolic core material with a decorative melamine surface.

- Resists water, oil and bacteria
- Withstands wet and humid environments
- Extra-height doors and panels available when additional privacy is needed
- Perfect for high traffic areas
- GREENGUARD Certified as a low emitting material

Privacy options
Extra-height doors and panels available when additional privacy is needed.

Phenolic Colors

Almond (0932)  Earth-Wash (062F)  Folkstone Celotex (012F)  Graphite Grafix (7022)  Natural Canvas (7022)  Navy Grafix (7018)

*Woodgrain color available at additional charge.
Fusion Granite & Stainless Steel

Looking for a design twist? Bradley’s Fusion partitions offer a combination of granite partition panels, pilasters and urinal screens, and stainless steel or powder coated doors.

- Decorative high-end commercial partitions
- Natural granite panels, pilasters and urinal screens
- Stainless doors and hardware (stainless steel textures pg 6)
- Stainless doors GREENGUARD Certified as low emitting material
- Doors also available in powder coated (colors pg 8)
- Floor-mounted overhead-braced only

Fusion Colors

Due to printing variances, the actual material color may differ.
