

SAFE, SECURE & COMFORTING STYLE

SafeCare™ Ligature-Resistant Series by Bradley for specialized care settings.

With patient safety and well-being in mind, Bradley plumbing fixtures have minimal ligature points to help avert patient self-harm, and are styled to create a safe, familiar atmosphere.

Commercial Washrooms. Brought to Life.

SafeCare Ligature-Resistant Series

SafeCare products were developed, in consultation with behavioral health professionals, for restrooms in specialized care situations. Handwashing, showers and accessory options are styled to suit patient rooms that are designed to enhance patients' feelings of a familiar, safe home-like environment.

- Total restroom solutions designed with help from behavioral health professionals
- Home bathroom aesthetics to help promote feelings of safety and comfort
- Minimized ligature points for patient safety
- Long-lasting and easy to maintain

Handwashing

Bradley's SafeCare Lavatory made from durable and repairable Terreon solid surface material. Minimal ligature points and home-like aesthetics help to enhance patient safety and well-being.

- Model HSL1 Lavatory
- Terreon or TerreonRE solid surface material
- Sprayhead faucet with infrared sensor or Bradley's exclusive electronic, highly reliable TouchTime® activation
- Contoured sprayhead faucet and basin
- Sprayhead faucet mounted flush to basin
- Fully enclosed stainless steel trap cover
- Custom shelf extensions available

TERREON® & TERREON®RE

Terreon® solid surface and Terreon®RE recycled solid surface last a lifetime and can easily be repaired and renewed, thus minimizing the need for replacement or disposal. Terreon is a nonporous material which means that it will not support the growth of mold, mildew or bacteria, all substances that can adversely affect indoor air quality. Terreon is certified to meet the highest industry quality and performance standards for solid surface materials.

Wall Showers & Valves

SafeCare wall showers feature sloped showerheads, contoured handles or flush push buttons to minimize ligature points.
