Express® Lavatory System EXD-Series Service Kits

Overview

The EXD-Series Service Kits are designed to provide replacement parts for each section of the EXD-Series lavatory systems. The EXD-Series Service Kits tech data document is similar to other tech data, providing necessary options for ordering the kits. Complete the tech data for each service kit required for your system.

Construction

Terreon® Solid Surface Material (Bowl)

The continuous bowl is constructed of Terreon®, a densified solid surface material composed of bio-based resin. Terreon is resistant to chemicals, stains, burns and impact. Surface damage can be easily repaired with everyday cleansers or fine grit abrasives.

Pedestal Frame and Access Panel

Panel is composed of high impact polymer. Bowl assembly and access panel are secured to a heavy gauge stainless steel support frame mounted to the wall.

EXD-Series Bowl Only Assembly

EXD-2N-BOWLONLY and EXD-3N-BOWLONLY

These kits are just for a replacement Terreon bowl.

EXD-Series Pedestal Assembly

EXD-2N-PED and EXD-3N-PED

These kits consist of the pedestal frame, access panel, control valve assembly and supply connections.

Product Compliance

Listed by NSF International to

- NSF/ANSI 372 (EXD-2N-PED, EXD-3N-PED)

Certified to
NSF/ANSI 372

Listed by UL Environment to

- GreenGuard Gold
